Step 1: X is fascinated by gaming lingo, but they don't know what all the words mean. Can you help X learn more?

A: If John Kennedy were an Anthony instead..., *abbrev.?* / Hawaiian bowl dish with fish + work week starter, for short?

B: Bearded ruminant / Meta's all-in-one VR headsets

C: Spider's construction / Violent behavior, in British slang / LMN followers?

D: A ____ OR C OR D? / Sulfur + future queen, maybe? / Fifth tone of C major, fifth tone of C major?

E: Deep sorrow / Palindromic data?

F: Crush to a powder / Tabloid tell-all tale, but with the former partner swapped out for a letter like a golf ball support?

G: Thrill or boot / Aang or Roku, for example

H: Former measure of distance, around three miles / Opposite of "Woman Z"?

I: Aries animal / Take advantage of

J: Clean with a broom / *One Piece* clown

K: Loafing around / Rags or goads

L: Jet problem? / Fuel location for the army vehicle? / Engineering sorority founded at Marquette University, in the English alphabet

Step 2: X spent the day playing tetris, but this variant uses opaque blocks that obscure your view of the letters behind them.
