### \_\_\_\_\_ **Coral** ( \_ \_ \_ \_ )

This movie which debuted earlier this year takes on modern environmental themes as the popular clownfish-blue tang family returns to the big screen to find a new home for themselves as climate change takes a toll on the world's reefs. Our protagonist is also navigating challenges of new parenthood as he raises his daughter Coral, who he named for his mother he never got the chance to meet.

### \_\_\_\_\_ **3** ( \_ \_ \_ \_ )

In this emotional roller coaster of a tale (in which the emotions literally ride a roller coaster) Riley is preparing for the next phase of her life: college. She has to choose whether she wants to return to Minnesota for college or if her family's move inspired her to venture forth into a completely new city. A fun fact about the release date is that it was supposed to be released for the twenty-five year anniversary of the previous movie, but unfortunately it ended up getting delayed by two years.

### \_\_\_\_\_ **Comes Back Again** ( \_ \_ \_ \_ )

Coming out forty-one years after its prior edition, our favorite airborne nanny arrives once again to support twins John and Annabel and their new families as England is recovering from WWII repercussions.

\_\_\_\_\_ **CIA** ( \_ \_ \_ \_ )

Mike and Sully get recruited out of retirement by the CIA to assist them with locating a specific human girl given that her pink flowered door no longer leads to her bedroom since she's all grown up. Released forty-three years after its previous film, this movie faithfully recreates all the charm and humor that fans found so endearing.

\_\_\_\_\_ : **Exploring Atlantis** ( \_ \_ \_ \_ )

Frank Gates, a university professor and son of a famous treasure hunter, is approached by a new secretive group to help decode a message that they believe will lead to the lost city of Atlantis. This family-fun adventure movie was released as a fifty year celebration to the previous film in the franchise.

\_\_\_\_\_ : **Enemy Invasion** ( \_ \_ \_ \_ )

The Precursors have arrived to claim Earth as their colony and humanity is preparing its most advanced Jaegers to make their last stand, led by Jake. This thirty-five-year-late sequel captures the grandeur of the first film and the powerful resilience of humanity when faced with extinction.
